EASY ASSEMBLY AND OPERATION INSTRUCTIONS
21SV22947_12FT Inferno Pumpkin Skeleton

READ AND SAVE THESE INSTRUCTIONS FOR FUTURE REFERENCE

IMPORTANT TIPS:
• If not functioning properly (eyes, mouth, chest don’t light up), ensure that cables are connected to their corresponding cable as shown in the instruction sheet (See steps 5.1 and 7.2).
• If item does not activate when turned on, ensure that the adapter is plugged into a live outlet.

• If the item still does not work, contact SVI customer service from 8:30am to 5:30pm PST at 1-855-428-3921, email customerservice@svius.com, or call The Home Depot customer service at 1-877-527-0313.

PARTS LIST
A. Base x 1
B. Base Extension x 4
C. Right Foot x 1
D. Left Foot x 1
E. Lower Support Pole x 2
F. Right Lower Leg x 1
G. Left Lower Leg x 1
H. Right Upper Support Pole x 1
I. Left Upper Support Pole x 1
J. Upper Right Leg x 1
K. Upper Left Leg x 1
L. Lower Torso x 1
M. Spinal Support x 1
N. Chest x 1
O. Right Upper Arm x 1
P. Left Upper Arm x 1
Q. Left Arm and Hand x 1
R. Right Arm and Hand x 1
S. Head x 1
T. Loop Screw x 1
U. Cable x 1
V. Stake x 4
W. Allen Wrench x 1
X. Adapter * x 1
* Power Adapter Spec
Input: 120VAC 50/60Hz
Output: 5.9V 1.5A

NOTE: Throughout the instructions, Right and Left are relative to the character. Allen wrench included for assembly. A stepladder is recommended for assembly. The hooks on the (A) Base are towards the back of the item. Only 2 of the (B) Base Extensions are assembled at the back of the base for now.

NOTE: The notches in the (C, D) Feet need to be positioned over the (A) Base protrusions as shown.

IF ANY PART IS MISSING OR BROKEN, DO NOT ATTEMPT TO ASSEMBLE THE PRODUCT AND CONTACT SVI CUSTOMER SERVICE FROM 8:30AM TO 5:30PM PST AT 1-855-428-3921, EMAIL CUSTOMERSERVICE@SVIUS.COM, OR CALL THE HOME DEPOT CUSTOMER SERVICE AT 1-877-527-0313.

3.1 NOTE: Slide the two upper legs onto the upper support poles and then fit them onto the lower legs as shown.

3.2 NOTE: A ladder and more than 2 people are advised when assembling the (L) Lower Torso to the (I) Upper Support Poles and the (J, K) Upper Legs.

4.1 NOTE: Lean the 12FT Inferno Pumpkin Skeleton against the box it came with for easier assembly. 3 adults are strongly recommended for this step.

4.2 Outer box

5.1 NOTE: After connecting the wires, hide the excess inside the available cavity at the bottom of the (N) Chest. Ensure that the wire is not pinched between the (N) Chest and (L) Lower Torso.

5.2 NOTE: Do NOT overtighten this bolt. Overtightening may result in damage to the product. Adjust the arm position to your preference. If a bolt is missing, check inside the box as it may have fallen out of the arm. Repeat this step on the left side to attach the (P) Left Upper Arm.

6.2 If there is difficulty in assembling the (L) Lower Torso, try adjusting the upper legs until they are properly aligned.

6.3 NOTE: Screw the loop into the area inside of the (M) Spinal Support as shown. Place your free hand into the (N) Chest to guide the (T) Loop Screw into the housing.

6.4 Note: Make sure hands are oriented properly. The palms of the hands should be aimed towards the (A) Base.

If there is difficulty in assembling the (L) Lower Torso, try adjusting the upper legs until they are properly aligned.
NOTE: Power button on the back of the (L) Lower Torso. Position 12FT Inferno Pumpkin Skeleton on flat surfaces only. Your 12FT Inferno Pumpkin Skeleton is now fully assembled. Use the adapter and turn on to let the fun begin!

NOTE: The arms can be posed to your preference. Please pose the arms before erecting, otherwise a ladder will be needed.

NOTE: When plugging the adapter into the 12FT Inferno Pumpkin Skeleton, ensure that the cap on the adapter cable is twisted clockwise until firmly in place as shown.

CAUTION: The (U) Cable must be secured before erecting the 12FT Inferno Pumpkin Skeleton. It is strongly advised that 3 adults participate in the assembly, standing the 12FT Inferno Pumpkin Skeleton, setting the 12FT Inferno Pumpkin Skeleton down, and disassembly. The item must be laid down for disassembly.

CAUTION: Cable may have sharp ends, use caution when assembling. If cable cannot reach, the upper body of the 12FT Inferno Pumpkin Skeleton needs to be lifted while in its laying position. This should enable the cable to reach.

CAUTION: Make sure head is locked into place.

If your application needs sturdier stakes, check out SKU 1006262796 at The Home Depot (sold separately).

After connecting the wires, hide the excess inside of the available cavity at the top of the (N) Chest. Ensure that the wire is not pinched between the (N) Chest and (S) Head.

NOTE: Make sure head is locked into place.

After connecting the wires, hide the excess inside of the available cavity at the top of the (N) Chest. Ensure that the wire is not pinched between the (N) Chest and (S) Head.

NOTE: The arms can be posed to your preference. Please pose the arms before erecting, otherwise a ladder will be needed.

NOTE: When plugging the adapter into the 12FT Inferno Pumpkin Skeleton, ensure that the cap on the adapter cable is twisted clockwise until firmly in place as shown.
WARNING
This item is not a toy and should be used for decoration only. This item contains small parts that can be a choking hazard. Keep all plastic and wire parts away from children.
1. Please use the adapter supplied by manufacturer.
2. Please assemble item according to instructions. Connect all wires according to matching color.
3. Children should be supervised by adults. Item should not be grabbed, as it becomes a tipping hazard. Keep flammables away from the adapter, as it heats up during operation.
Please view all instructions carefully before assembling. Save this instruction sheet for future reference.

CARE AND STORAGE INSTRUCTIONS
For best performance operate your item indoors. When not in use, store this product in its original packing. Keep away from heat and moisture.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CAUTION:
Changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

NOTE:
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or experienced radio/TV technician for help.

OPERATION INSTRUCTIONS:
The 12FT Inferno Pumpkin Skeleton is powered by an adapter. Plug the power adapter into a standard power outlet. To turn on the 12FT Inferno Pumpkin Skeleton, press the button underneath the (L) Lower Torso once. Press the button again to switch to the Timer setting. Press the same button a third time to turn the item Off.

The item is activated by pressing the button on the (L) Lower Torso and has the following settings:

- **On**: This setting will activate the eyes, mouth and chest of the item.
- **Timer**: This setting will activate the eyes, mouth and chest of the item for 6 hours at a time. The time will then turn off and turn on once again after 18 hours.
- **Off**: This setting will deactivate the eyes, mouth and chest of the item.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

WE SUGGEST AT LEAST TWO ADULTS FOR ASSEMBLY
DO NOT PUSH OR TILT
NO MOVING AFTER FULLY ASSEMBLED
LEVEL AREA ONLY
DO NOT CLimb OR PULL ON
USE ADAPTOR
DO NOT DISPLAY DURING STRONG WINDS
IF EYES, MOUTH, CHEST DON’T WORK
DO NOT ADD TO OR MODIFY (ADD COSTUME KITS FROM THE HOME DEPOT ONLY)
