

## HOW TO JOIN TWO PIECES OF GUTTER FOR AN ALMOST SEAMLESS LOOK

### STEP 1.

Cut out a notch of one gutter.  
The notch must be at least 3" long.

### STEP 2.

Apply caulking to the  
second piece of gutter.

### STEP 3.

Slide the gutter with the notch  
into the second piece of gutter.

### STEP 4.

Attach a gutter hanger.
